

For over 30 years, Yadu Health Aboriginal Corporation (YHAC) has provided an affordable and accessible Aboriginal Community Controlled Health service with a range of culturally safe and high-quality services. YHAC strives to improve the wellness and health of Aboriginal and Torres Strait Islander people in our communities within Ceduna and the surrounding areas. YHAC also operate a fully accredited 24-hour residential aged care facility.

Aboriginal Health Worker/Practitioner

A fantastic opportunity has become available for dedicated and compassionate Aboriginal Health Workers to join our YHAC team! We are looking for **multiple candidates** to work both within the community and clinical environments. Team Leader roles are also available!

As an Aboriginal Health Worker/Practitioner, you will be working closely with our multidisciplinary team to provide timely, culturally appropriate, and holistic primary health care to our clients.

If you have great communication skills, and a desire to empower individuals and communities **but do not hold the formal qualifications, we still encourage you to apply!** A willingness to obtain the listed qualifications upon employment would be required.

Working Arrangements:

- Permanent Full-Time Position with flexible hours - 37.5 per week worked across 5 days.
- Hours of work may include some after-hours activities & travel.
- 6-month Probationary Period.
- Generous Hourly Rate between \$27.50 - \$52.90, dependant on experience and qualifications!

Key Selection Criteria:

- Certificate III **and/or** Certificate IV in Aboriginal and/or Torres Strait Islander Primary Health Care Practice **OR** a willingness to commence qualifications!
- Aboriginal Health Practitioners must hold a current AHPRA Registration.
- Passionate about making a positive impact on the health and well-being of Aboriginal communities.
- Have a great attitude and strong work ethic.
- Acts with integrity and always shows respect to fellow staff and management.
- A team player who actively listens and is willing to help or support the YHAC team during difficult or busy times.
- Excellent communication and interpersonal skills with ability to build relationships with patients, families, and healthcare professionals.
- Sound organisational and time management skills with the ability to manage competing tasks and priorities.
- Commitment to maintaining patient confidentiality and privacy.

- Proficiency using Microsoft Office programs, including Microsoft Word and Microsoft Excel.
- Current National Police Check, SA Working with Children Check, and SA Aged Care Screening.
- **Covid-19 & Flu Vaccinations not required** but highly encouraged.
- Current Unrestricted SA Drivers Licence.

Key Responsibilities:

- Providing culturally appropriate care and advocating for equitable healthcare services with both government and non-government agencies.
- Provide flexible support, guidance and advice to individuals, families and carers to address their social, emotional and physical needs.
- Under supervision, provide quality Primary Health Care to individuals, families and the community within own competency level and service protocols, to meet health outcomes.
- Conduct opportunistic and scheduled health assessments.
- Maintain client records and statistical data in accordance with established YHAC procedures and program requirements, ensuring records are accurate and up to date.
- Participate in regular clinical meetings and assist with case management of at-risk patients and families.
- Assist with other ad hoc tasks as requested by management.

Benefits:

- Competitive remuneration package under the CKAHSAC Employees Enterprise Agreement.
- NFP Status = Attractive Salary Sacrifice Packages!
- Ongoing Training Provided + Professional Development (by negotiation).
- Access to an Employee Assistance Program including 24/7 Counselling Service, and exclusive offers which is free to all staff and their immediate family members!
